

## SEPAC SOMA 2023-2024

### VISION STATEMENT

SEPAC SOMA's vision is for SOMSD to be an inclusive school community where students with disabilities have the opportunity and support to realize their full potential alongside their non-disabled peers.

### GOALS

1. Increase family engagement and inclusive practices across all schools.
  - a. Create school-specific special education parent groups.
  - b. Diversify overall membership with varied communication strategies.
  - c. Provide input to the BOE to create a new policy on Family Engagement for the school district.
  
2. Hold forums and create resource guides for families and educators.
  - a. Host an information session on changes to the Literacy curriculum in our district.
  - b. Outline the process and steps for parents to take for students needing assistance.
  - c. Organize a local provider resource fair and create a provider guide for people with disabilities.
  
3. Build parent capacity for understanding special education to be more effective partners.
  - a. Hold grade-specific in-person IEP Workshops.
  - b. Create and provide a parent tip sheet to help parents prepare for IEP meetings.
  - c. Partner with educators and administrators in creating opportunities to increase parents' knowledge around special education.
